We would like to acknowledge and thank Regis High School for graciously allowing us use of their timpani and bells for our concert. To learn more about their mission and programs please visit their website at [www.RegisCatholicSchools.com](http://www.RegisCatholicSchools.com).

We also wish to extend a special thank you to the many service groups that assisted in making this event a special gathering: the Sacred Heart of Jesus-St. Patrick Youth, under the guidance of Michelle Bowe, for serving as ushers and the providing the reception hospitality; the Sacred Heart of Jesus-St. Patrick Sacred Worship Committee for decorating the church and reception hall; the many Musicians, and Friends and Family of the Music Ministry, who provided treats and support for the social portion of this celebration; and those in the media and the private community who helped get the word out about this event.

A special thank you to Sacred Heart of Jesus-St. Patrick Parish and St. Patrick Church for hosting this wonderful celebration.

Today's event in honor of St. Cecilia, the patroness of music and musicians, is part of a nationwide "Saint Cecilia Sing" under the auspices of the National Association of Pastoral Musicians, or NPM.

NPM is an organization for anyone who recognizes and supports the value of musical liturgy. We are choir directors, organists, guitarists, instrumentalists of all kinds, clergy, cantors, and pastoral liturgists. We are members of contemporary ensembles, bell choirs, and choral groups. Some of our members are young people in high school and college, while some are veteran directors of music ministries. We represent parishes large and small as well as seminaries, schools, religious communities, cathedral churches and diocesan offices. Many of our members belong to interest sections for various musical ministries, for clergy, for chant or pastoral liturgy, and for musicians serving African American, Hispanic and Asian communities. Some of our members are not actively involved in a particular musical or liturgical ministry, but want to support the important work of pastoral musicians.

The NPM Mission Statement declares that we "foster the art of musical liturgy." All of us, musician and non-musician alike, have a share in this mission. Even if you cannot sing well or play an instrument, you can support the work of NPM through prayer, through words of encouragement to those who serve musically in your parish, and through financial support of the work of NPM.

A small portion of today's offering will be sent to support NPM in their works of bolstering music talents and parishes across the nation. May God bless you as you support those who work tirelessly to foster the art of musical liturgy in the service of the Church.
